Dear Rob,

On behalf of the CARAS Board of Directors and staff, we would like to express our appreciation to you for your significant involvement with the Producer Of The Year category.

It's always a pleasure to work with someone so professional and compassionate about the work that they do. We are grateful for the work you have done and continue to do. Without you, we would not have the knowledge and insight to appropriately question, acknowledge and uncover the talent that exists throughout Canada's landscape.

Much of CARAS' mandate relies on the expertise that you bring to your genre, your knowledge of the industry, your dedication to recognizing talent and especially your attention to detail. Your year round contribution shapes the success and future prosperity of the JUNO Awards. You should be proud of the work you do for CARAS, we most certainly are grateful.

This year, CARAS members and judges selected eighty nine first time nominations. A first in CARAS' history and you have played a significant part in that.

Thank you again for all of your time and energy over the past year, it is greatly appreciated.

With best regards,

Melanie Berry
